

**REMARKS**

By the foregoing amendments a cross-reference to the international application has been supplied. Claim 11 has been amended to recite a cylindrical neck and a cylindrical applicator head removably joined to the neck. Support is found in the original application, at page 4, lines 21-28, for example.

The filing fee has been calculated based on the claims as amended above. No new matter has been added.

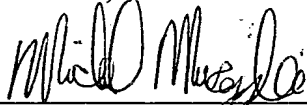

Early and favorable action on the merits is requested.

Respectfully submitted,

MARSHALL, GERSTEIN & BORUN LLP

May 12, 2005
